The image displays three views of a brass faucet. The left view is a side profile showing the handle and the main body. The middle view is a front-facing perspective of the faucet spout and handle. The right view is a top-down perspective showing the handle and the top of the faucet body. The faucet has a classic, slightly ornate design with a polished brass finish.

Technical drawing of a three-spout faucet assembly. The drawing shows a side view and a top view. The side view includes dimensions for the spout height (123 mm), the distance between spouts (100 mm), the spout diameter (Ø 5), the base diameter (Ø 28), and the total height (550 mm). The top view shows the circular arrangement of the spouts with diameters of Ø 30, Ø 34, and Ø 30. The distance between the center of the middle spout and the side spouts is 143 mm. The distance between the center of the middle spout and the base is 123 mm, with a maximum height of 140 mm. The base diameter is Ø 32. The spout has a 23° angle. The connection at the base is G 3/8.
