Logo of the Association pour le Contrôle Sanitaire (A.C.S.), featuring the text "ATTESTATION" at the top, "A.C.S." in the center, and "DE CONFORMITE SANITAIRE" at the bottom.

Technical drawing of a mechanical assembly with dimensions. The drawing shows a side view of a structure with a horizontal arm and a vertical support. Key dimensions include:

- Overall height: 147
- Height of the vertical support: 87
- Height of the horizontal arm: 61
- Horizontal distance from the vertical support to the end of the arm: 173
- Horizontal distance from the vertical support to the center of the arm: 152
- Horizontal distance between the vertical support and the first support: 110
- Horizontal distance between the first and second supports: 110
- Horizontal distance between the second and third supports: 110
- Horizontal distance between the third and fourth supports: 107
- Horizontal distance between the fourth and fifth supports: 176
- Horizontal distance from the vertical support to the end of the arm: 173
- Horizontal distance from the vertical support to the center of the arm: 152
- Horizontal distance between the vertical support and the first support: 110
- Horizontal distance between the first and second supports: 110
- Horizontal distance between the second and third supports: 110
- Horizontal distance between the third and fourth supports: 107
- Horizontal distance between the fourth and fifth supports: 176
- Horizontal distance from the vertical support to the end of the arm: 173
- Horizontal distance from the vertical support to the center of the arm: 152
- Horizontal distance between the vertical support and the first support: 110
- Horizontal distance between the first and second supports: 110
- Horizontal distance between the second and third supports: 110
- Horizontal distance between the third and fourth supports: 107
- Horizontal distance between the fourth and fifth supports: 176
